

My current wine recommendations

Scout Circle-this is our wine club. While you can purchase wine a la carte, the wine club is a great value and the founder curates each month's shipment. You can pick monthly, every other month or quarterly and can choose white, mixed or red in a variety of sizes (4, 6 or 12 bottles). You can also pause or change your shipment at any time. Bonus: there are several wines that you can purchase only if you're a Scout Circle Member and the boxes ship quickly.

Whites

[Fiddleneck Sauvignon Blanc](#)-My current favorite Sauvignon Blanc.!

[Etnico Sauvignon Blanc](#)-very popular...haven't tried this vintage yet as it just came out

[Tangotango Sauv Blanc](#)-Brand new, NZ Sauv Blanc, Haven't tried it yet but it's earthy and crisp with notes of citrus

[Dove Hunt Dog Sauvignon Blanc](#) my favorite white wine (currently out of stock)

[Che Fico Pinot Grigio](#)-if you like pinot grigio you'll love this one. I'm not typically a PG drinker but really enjoyed this with fish for dinner over the summer.

[Fiddleneck Chardonnay](#) I'm not a chard drinker but I've had this and actually liked it enough and had customers buy it and really like it.

[Fieldhouse Chardonnay](#)-this is a full body/creamy Chard. If you like Le Crema and Rombauer you will LOVE this.

[Dove Hunt dog Chardonnay](#)-Unoaked so not creamy/buttery but earthy and crisp. I like with a meal and I'm not a chard drinker.

[Resident Pinot Gris](#)- Fruity and Crisp Pairs great with fish or pasta but I had it with Mexican the other night and the citrus and pineapple notes were a great compliment to the spicy flavors.

[Etnico Sparkling](#) -very yummy!

[Gallivant Bubbly](#)-really good!

[NV CATTIN SAUVAGE CREMANT D'ALSACE BRUT](#)

[Holiday Cans Mixed Pack](#) (love these cans...perfect when you just want one drink, for the boat, picnic or any outside gathering)

[White Wine Spritzer](#) -These are very popular

[Apprentice White Wine](#)-brand new wine at a great price point \$16. It's described as being fruity and crisp and pairs well with sushi and cheese

Red (with all of our red wines you'll want to open the bottle and let the wine breathe for 30 min before enjoying it)

[Pip's Piquette](#)-brand new lower alcohol wine that is made with 100% Zinfandel grapes and is a little bubbly and light and fruity.

[Oso Pardo Tempranillo](#) -fruity and bold. Really good.

[Middle Jane](#) My favorite Pinot Noir so far by far. It's a bit pricier but it does come in a half bottle ([Little Jane](#))

[Fieldhouse Pinot Noir](#)

I've enjoyed all of the [Resident red wines](#) that I've tried and the [Middle Jane](#) collection is amazing (but a higher price point).

[Resident Red Wine Blend](#)-Petite Syrah/Syrah Fruity and Bold

[Dove Hunt Dog Cabernet](#)-Love this one and great price point. Earthy and bold

[Fieldhouse Cabernet](#)-Very, very good. Earthy and bold

[Bookbinder Cabernet](#) -Higher price point but great cab

[Viente Cabernet](#)

[2017 SOLEIL. VENT. ÂME. RED WINE](#)-haven't tried this yet but I really like other wines from this label and heard good things.

[Hushkeeper Red Wine Blend](#)-fruity and bold (70% cab and 30% petite syrah)

Bookbinder apprentice-new wine from the high price point Bookbinder label. It's fruity and bold and a blend of Petite Sirah, Zinfandel and Cab. I tried it recently and for \$16 I thought it was really good. Definitely let it breath for 30+ min before drinking it.

Red Wine Cans-I haven't tried yet but great when you only want one glass

Rose

Currently we are sold out of rose due to the growing/botting season and the fact that we work with small farmers and all of the wines are produced in small batches. There will be some amazing rose wines come spring!

There are some cans that have rose bubbly wines in them.

The world's first mixable

Wilderness Road- It's a lower-alcohol alternative for cocktails, created by combining a fermented Clean-Crafted white and rosé wines with a distilled neutral Clean-Crafted grape wine. The result yields a higher alcohol content than traditional table wines but evokes a clean, fresh, neutral flavor perfect for mixing!
